As Salaam Mu Alaikum

To whom it may concern.

### B.C.F.I Ahle Sunnah Madressa.

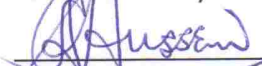

The Bazme Chirag- E- Faqir International has been associated with South Coast Madressa School since early 2010 and has officially taken over the afternoon component of the Madressa Programme at school since 2014. They had come to the rescue of the Al Badr Madressa, that required financial resurrection.

Mr Zain Akbar in particular assumed the complete takeover of the afternoon Madressa. This Madressa commences from 15h15 in the afternoon to 16h30 on a daily basis. On a Friday the times are adjusted to facilitate early closure at 16h00. The B.C.F.I. Ahle Sunnah Madressa commenced with 36 learners and two Muallimas and has since those initial years, grown exponentially to the present roll of 170 learners and 8 Muallimas.

This Madressa generally caters for learners of the Clairwood Area and its immediate environs and also for those learners who attend the school during the morning session. Many of the learners who attend the B.C.F.I. Ahle Sunnah Madressa come from financially deprived backgrounds and are not coerced to pay fees. The B.C.F.I. Ahle Sunnah Madressa also has a great number of learners who are recipients of Zakaath, otherwise the Madressa runs on the strength of its immediate supporters and some well-wishers. The financial demands are now fast becoming astronomical.

As a school South Coast Madressa acknowledges the paramount role of the B.C.F.I Ahle Sunnah Madressa and the role of those associated with it and places on record its heartfelt thanks to all involved in this most admirable work. May Allah bless them.

Yours fraternally.

  
A. Hussein (Principal)
